How can we be fully present to all that is happening right now & learn what we need to learn?

How is Nature informing us in this transition?

How can we not return to 'normal'?

listen with compassion

feeling the connection

creating new rituals

allow the not knowing

sharing
· resources
· emotions
· insights

no healing is wasted

being enough for what is next

the power of circle

we are creating the story as we walk...

we are in a liminal space

stillness calm rest

IT'S UP TO US, TO BE GUARDIANS FOR A BETTER WORLD
